

Open Invitation Epicurean Zoom - Every Wednesday 8:30pm ET, beginning May 11th

Post by "Don" of May 12, 2022 at 11:06 AM

Just a thought: With all the new meetings, I'd suggest trying to make the 20th "special" and not just *another* online meeting. That date is literally the connection to the Ancient Epicurean community. I don't have any ideas currently on making it special, just raising the point for discussion.
