

Episode One Hundred Twenty-Three: Letter to Herodotus 12 - Events and Time

Post by "Cassius" of May 28, 2022 at 9:38 AM

Don laughs, but wait til you hear the episode and it will REALLY be confusing! 😊 However, the first step toward unraveling things is to at least "put it out there" what we want to talk about! 😊 If intersecting circles is the essence of a Venn diagram, then this is really tricky.
