

# **AFDIA - Recap And General Comments After Reading Book / Completing the Chapter By Chapter Review**

**Post by "Cassius" of May 29, 2022 at 5:47 AM**

We have now completed our series of Zoom meetings in the A Few Days In Athens Book Review. Today's edition - our Seventeenth Session - is a recap of the series with comments from the participants. We have the entire series on Youtube for your reference at any time, and we'll probably make them available in audio podcast form for easier access. Thanks to the participants and we hope these will be useful in the future.
