

# "Medicine" of Epicurus: Removing Fear and Finding Freedom

Post by "Joshua" of June 1, 2022 at 10:02 AM

Quote

The twelve labors of Hercules were trifling in comparison with those which my neighbors have undertaken; for they were only twelve, and had an end; but I could never see that these men slew or captured any monster or finished any labor. They have no friend Iolaus to burn with a hot iron the root of the hydra's head, but as soon as one head is crushed, two spring up.

-Thoreau, Walden
