

Implications and Translations of Variations of Texts Referencing "Appearances" (As In The Size Of The Sun)

Post by "Don" of June 17, 2022 at 2:49 PM

[Quote from Cassius](#)

At first glance those definitions would seem to be "positive" in the sense of "reveal" rather than hinting at illusions or error.

Or things revealed to the senses.

That's also the Greek word related to English phenomenon.
