

Any Application of Epicurean Theology to the Christian God(s)

Post by "Root304" of June 23, 2022 at 1:04 PM

[Don](#)

Definitely. Just like the God of the Gaps idea, the immaterial Soul recedes off into nothing once we study the intricacies of our physical bodies and the subjective experiences involved in living.

Haha I just use the "meatsuit" term as a sort of push back against the idea being used by Atheists and non-atheists alike to describe secular worldviews. Just kinda gross objectifying of ourselves.
