

Episode One Hundred Twenty-Nine - Letter to Pythocles 03 - The Implications Of the Epicurean Position On The Size of the Sun

Post by “Don” of July 8, 2022 at 10:50 PM

Joshua brought up the κλεψύδρα (klepsydra): a water-clock, like our sand-glasses, used to time speeches in the lawcourts

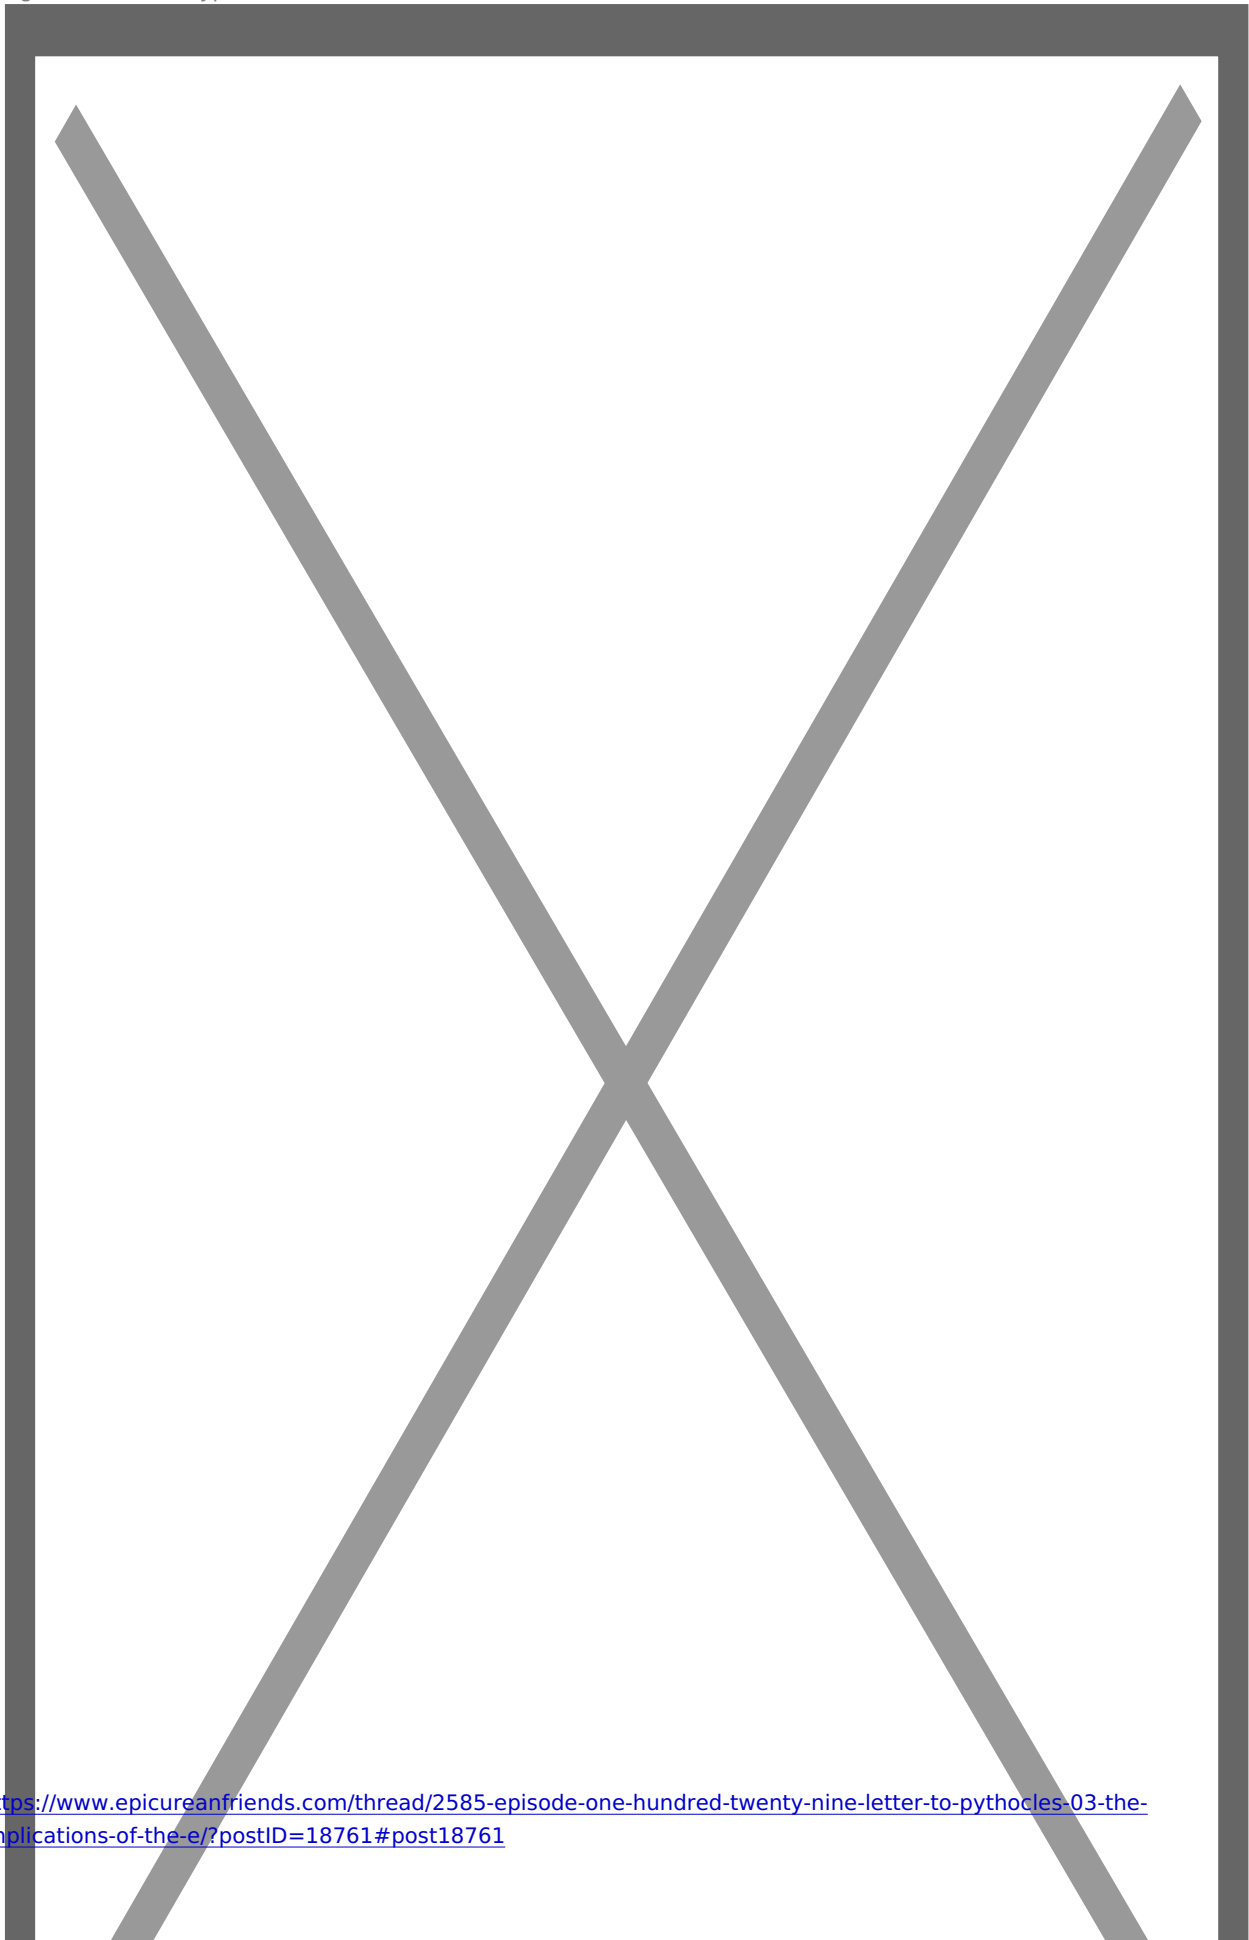

This has a great parallel to English words:

kleps- related to kleptomania

-(h)ydra - related to hydro "water"

Therefore, κλεψύδρα "water-stealer"
