

Kungi's Natural and Necessary Discussion

Post by "Cassius" of July 25, 2022 at 12:17 PM

Exactly -- as usual we look like we are sparring and really close in agreement.

I think these conversations are extremely helpful regardless of how they look. The recent emphasis on "desires" as the word used in some of these places is also extremely helpful.

If we keep hammering at these issues we'll be in a good place to better present a clear alternative to the "academic consensus/ Okeefe" position.
