Thank you for that friendly welcome! I am honored to begin in greater earnest my quest for genuine happiness and a more meaningful lifestyle rooted in the teachings of that Master Teacher, Epicurus. I have known and read about Epicurus for several years, but it seems the sound wisdom and compelling explanation about nature and about living well, have called me to a deeper level of commitment and systematic study. I look forward to learning and sharing with the community of [epicureanfriends.com](https://www.epicureanfriends.com)
