

# **Nate's "Allegory of the Oasis" Graphic**

**Post by "Cassius" of January 13, 2019 at 5:47 PM**

Nate thanks again for all your work on this. I am sure over time we'll find ways to improve it, but this version is very usable as is. I am trying to set up my office to get ready to make a series of audio-visual presentations and I am definitely planning on using this for one of them. I hope to get to that soon.
