

# Epicurus and the Pleasure of the Stomach

Post by "Kalosyni" of August 16, 2022 at 8:16 AM

Here is an interesting read I just stumbled upon -- chapter four in a book called "Meals Matter: A Radical Economics Through Gastronomy" by Michael Symons. With this link it appears one can also scroll back to the start of the chapter. The author has an interesting way of interweaving the philosophy. (I haven't yet read all of the chapter, but wanted to share it right away).
