Some after-thoughts perculating (post-podcast):

"Become accustomed to the belief that [death is nothing to us.](#)"

"For all good and evil consists in sensation, but death is deprivation of sensation."...

"...so long as we exist, death is not with us; but when death comes, then we do not exist."

**Believe that there is no need to be concerned about what exists after death,
because after death there is no consciousness and no sensation.**
