

Episode One Hundred Thirty-Six - The Letter to Menoecus 03 - On Death (Part One)

Post by "Don" of August 23, 2022 at 1:13 PM

[Kalosyni](#) 's closing comment and final "Seize the day!" genuinely made me smile while listening on my way to work this morning. I thought they were spot on!

Hey mention of the Death Cafe brought to mind the current "death positive" movement to get people to talk openly about death, dying, burials, etc. I think it's a good idea. Two major figures include Caitlin Doughty and Cole Imperi. You can Google them.
