

Valueless Virtue in Modern Stoicism

Post by "Condorcet" of January 19, 2019 at 3:49 PM

Excellent! Thank you.

"...

bringing news of what can be

And what cannot, limits and boundaries,

The borderline, the bench mark, set forever.

FWIW for several years I have been trying to change public policy based on the FAITH that there are no limits to growth! The faithful say "we either grow or die."

"And by his victory we reach the stars."
