

Episode One Hundred Thirty Eight - Letter to Menoeceus 5 - Pleasure Part One

Don that reminds me of the formulation of pleasure as related to "smooth motion." I think the last time I looked that up I didn't track it to Epicurus but to someone earlier. I wonder if that last part of the passage is related to that issue of "smooth motion"

(Crédit to Donald Robertson for tracing the smooth motion to the Cyreniacs here <https://donaldrobertson.name/2016/05/21/epi...-the-cyrenaics/>)

That Robertson article raises a number of topics about the Cyreniacs/ Epicurean relationship that we ought to explore.
