Just for clarity the correct link to post number 36 is: [RE: Episode One Hundred Thirty Eight - Letter to Menoecus 5 - Pleasure Part One](#)

It's not obvious how to do that.... to get the direct link click on the post number at the top right, and you get a popup box. One of the entries is "permalink" and you can click on the "copy" icon to copy the link directly into your clipboard, where it is then easy to paste.
