

# Episode One Hundred Thirty Eight - Letter to Menoecus 5 - Pleasure Part One

Post by "Don" of September 8, 2022 at 6:36 AM

## [Quote from Cassius](#)

a desire for the latest iphone or a new Tesla is not "unnatural" even though the ancients never envisioned them.

Yes, that would be natural but unnecessary IF acquiring those things were within reach of one's financial and life situation. But I still think you'd have to ask yourself why you wanted them: for the Tesla, as a mode of travel, for environmental reasons, as a status symbol, etc.
