

Lucretius commentary in LATIN!

Post by “Don” of September 16, 2022 at 8:02 AM

Now for something completely different...

Live commentary on Lucretius in spoken Latin!

<https://youtu.be/sgETlyU8VHE>

So, here's another reason to learn Latin.

Close your eyes and imagine a conversation in ancient Rome. Stefano also reads some selections from De Rerum Natural.

And I understand almost nothing, maybe the occasional ergo or sum or hic. I just found out fascinating.
