

Democritus' "Nothing is truly real but atoms and void" statement

Post by "Joshua" of October 4, 2022 at 4:55 PM

Quote

'Tell us not that that is right which admits of evil construction; that that is virtue which leaves an open gate to vice.'

Quote

VS 29. To speak frankly as I study nature I would prefer to speak in oracles that which is of advantage to all men even though it be understood by none, rather than to conform to popular opinion and thus gain the constant praise that comes from the many.

A rock and a hard place?
