

Democritus' "Nothing is truly real but atoms and void" statement

Post by "Don" of October 4, 2022 at 6:11 PM

Here's the section where it appears in Galen. I borrowed the book for an hour from Internet Archive, so it's available for anyone to download for that amount of time with a free account:

[On the elements according to Hippocrates : Galen : Free Download, Borrow, and Streaming : Internet Archive](#)

236 pages ; 25 cm
