

Democritus' "Nothing is truly real but atoms and void" statement

Post by "Cassius" of October 5, 2022 at 7:58 PM

Not sure at the moment that this hasn't already been posted in this thread, and I haven't had time to re-read it, but this David Sedley article is probably very relevant to this discussion:

[Sextus Empiricus and the atomist criteria of truth](#)

Sextus Empiricus and the atomist criteria of truth
