

Versions of the Text of Lucretius - 1743 Daniel Browne Edition - Unknown Translator

Post by “Cassius” of October 6, 2022 at 7:07 AM

Yes I would love to know more about this edition. It's so much better than Creech that it seems likely that whoever translated it probably had much of interest to say about Lucretius and Epicurus. Even though it is probably now lost, it's very interesting to work on fleshing out a picture of the type of people who made themselves part of the Epicurean transmission chain.
