

# **Epicurean virtues listed by importance**

**Post by “Cassius” of February 1, 2019 at 7:47 AM**

No, actually that's an old copy of PDF-Exchange.

Interesting that you ask though, because I am constantly fiddling with software to organize and reference my notes. Right now I am pretty much into DokuWiki as used on the wiki page here, but outlining and other similar software is a major interest of mine. Do you have a favorite program for organizing your research?
