

Bookcase project

Post by “Joshua” of October 24, 2022 at 6:38 PM

Unfortunately Audible discontinued its "lending" feature last April. That's where most of my 'reading' is done these days.

Ironically, I decided on Saturday to start reading through a self-curated "banned books" list. I'm keeping track of that on the 'Wall' on my profile. You can finally find out how poorly-read I really am!
