

# Bookcase project

**Post by “Martin” of October 25, 2022 at 3:46 AM**

Yes, one aspect of the bookcase is community-building. Establishing systematic access to literature available in pdf-files is good to do in parallel.

For German texts, there is a lot at: [Projekt Gutenberg-DE - Startseite \(projekt-gutenberg.org\)](https://www.projekt-gutenberg.org/)

(Cassius made me more aware of this one in an old thread on the Prussian King Friedrich II. (not the medieval Friedrich II.))
