Also note that you must click directly on the pointer icon and not the full text of each line.

Thanks! I see that clicking on the tiny pointer icon is the magic key to getting the outline to unfold.

I think it would be a great project for anyone (and many people) to organize their Epicurean research and produce public "live" outlines that can be viewed at varying levels.

I will definitely see what I can do, and will be a matter of finding the right app for that 😊
