[Quote from Cassius](#)

Is the outline: (1) How I Think I Should Live? or (2) The Important Aspects of Epicurus, or (3) What I Would Say To A Friend About Epicurus If I Only Had Five Minutes or something like that.

For me it is what I think are good points -- and what I would say to a friend. But I still need to flesh out a lot more.

And maybe it would be good if when someone posts an outline that they also say what their goal is.
