

From Stress to Happiness

Post by “Pacatus” of November 18, 2022 at 4:02 PM

Yes. I hasten to add that for me neither “belief” nor “faith” are interchangeable with being 100% certain (let alone the absurdity of some Christians who, generally quoting St. Paul, claim that faith itself either a) is knowledge, or b) is itself actually evidence that guarantees knowledge).

Yes, faith is still a “red flag” word (my wife grimaced a bit when I used it 😊), and there are likely better ones ...
