

Epicurus' Birthday 2023 - (The Most Comprehensive Picture Yet!)

Post by “Joshua” of November 24, 2022 at 12:16 AM

Though I cannot remember the source just now, I read recently that the two days set aside for celebrating Epicurus (his birthday and the 20th) were regarded by his detractors as emblematic of his gluttony. Metrodorus was only given one day, the twentieth, which he shared with Epicurus. 😏
