

PD01 - Graphics for PD1

I'm responding to Elli's graphic posted in the graphics area but not posted here yet. Not sure if this is the intent of this thread; maybe this belongs elsewhere....

The translation in the graphic has the word "favor" where some translations use "gratitude" and others use "partiality". Personally, I prefer the use of favor or partiality to gratitude: it seems to me that a blessed being would feel gratitude.

Can anyone comment as to 1) the correctness of the various translations of this word, and 2) the differences that they may have in understanding the doctrine?
