

# Is the Natural and Necessary Question Objective or Subjective?

Post by "Cassius" of December 1, 2022 at 4:50 PM

I may be posting this in the wrong place but I remember that at the very least Don and/or Godfrey and I were asking what precedent might have existed for the natural and necessary distinctions before Epicurus. A friend has today pointed us toward the following excerpts from Plato, for which I am very appreciative!

Republic 8: 558d-559d
