an indepth article well linked and very findable to short-circuit the question next time it is asked

LOL! Be careful what you ask for! 😁 I'm in the process of working on a semi-formal paper consolidating all this information about the controversy among Gamelion 7, 10, and 20 with links in the PDF plus image snippets from the manuscripts and a bibliography of sources. Hopefully it'll be complete in the next day or so to get some feedback and then polish.
