

Episode 152 - "Epicurus And His Philosophy" Part 08 - The New Education 01

Post by "Don" of December 11, 2022 at 8:14 PM

Those are great quotations [Cassius](#) & [Joshua](#) !

Part of me still wants to believe that the prolepsis of the divine is at least in part the human capacity to feel wonder and awe in response to both natural (the night sky, Yosemite Valley, etc.) and man-made (inside a cathedral, huge statues of the gods, sweeping music, etc.) things.
