I see that I had forgotten in my earlier comment this explicit use of the term "Quantity" by [Martin Ferguson Smith in his translation of the Inscription of Diogenes of Oinoanda](#). That needs to be referenced in this discussion:

Fr. 34 lower margin (Epic. Sent. 3)

[The quantitative limit of pleasure is the] removal of all pain. [Whoever experiences pleasure, so long as it continues, cannot ever be troubled] by pain of body or of mind or [of both together].
