

Second Edition of Haris Dimitriadis' "Epicurus And the Pleasant Life" Now Released

Post by "Cassius" of December 15, 2022 at 6:30 PM

I just discovered that I'm not as late in talking about this as I thought. It appears that Haris has just recently updated the book on Amazon, and I am finding that when I try to read it they still have the old version rather than the second edition.

I have messaged Haris about this and he tells me he is working on it -- -I will update here when fixed.
