

Perspectives On "Proving" That Pleasure is "The Good"

Post by "Todd" of December 20, 2022 at 8:39 PM

[Quote from Cassius](#)

It's interesting that you seem not to have read the full or main part of the Torquatus dialog. Probably you'll have much more to say when you do!

I have not read Torquatus in a long time, maybe never. If I once did, it was before I had any interest in Epicurus. I guess I will have to remedy this deficiency before I take up more of your time.
