

Perspectives On "Proving" That Pleasure is "The Good"

Post by "Todd" of December 21, 2022 at 1:14 PM

@Don...can we back up a second.

According to Nate (and I), pleasure is NOT the highest good or a lower-case good at all.

It is in that context that I went on to say the things you are disagreeing with.

Perhaps that was not clear? ~~I'm surprised by all the disagreement.~~

I understand that you don't even agree on the first point, so I would not address the things I said there to you.
