

Is the 5th fundamental compatible with science?

Post by "Don" of December 25, 2022 at 1:24 PM

[Quote from Joshua](#)

Don has made reference to the use of the word πᾶν (all, or even, "the all") as a word used by Epicurus. Is cosmos used as well?

Yes. He uses κόσμος kosmos/cosmos in the letter to Herodotus. Cosmoi/ cosmoses(?) are the world systems; The All is the whole collection of kosmoi.
