

# The Twelve Fundamentals - Discussion on Lucretius Today Podcast

**Post by “Todd” of January 3, 2023 at 9:23 AM**

I had a similar reaction to that article.

Taken seriously, it's the complete abdication of personal responsibility.

How much evil/pain/suffering has been tolerated because of the belief that whatever happens is part of a providential plan that we must not oppose?

However, we should remember that most people who hold these ideas are more sinned against than sinning (so to speak). The harshest criticism should be reserved for those who knowingly use these ideas to manipulate others.
