I've listened to that episode twice already, I agree that it's a good one.

My first nominee would be this:

[Episode One Hundred Twenty-Nine - Letter to Pythocles 03 - The Implications Of the Epicurean Position On The Size of the Sun](#)

And also the first episode of the Letter to Menoeceus. I think [Kalosyni](#) has pointed to this as one she enjoyed.

[Episode One Hundred Thirty-Four - The Letter to Menoeceus 01- Context and Opening of the Letter](#)
