

# "Epicurean Philosophy: An Introduction from the 'Garden of Athens'" edited by Christos Yapijakis

Post by "Godfrey" of January 10, 2023 at 8:56 PM

Not sure; I was reacting to the above posts. I'm pretty unclear as to the 4th criterion and the *epibolai* so I'm just trying to get my footing at this point. Also, as I recall *epibolai* have something to do with grasping (as in understanding?). Both dreams and intuitive leaps are mechanisms for grasping, to my thinking.
