

Episode 155 - "Epicurus And His Philosophy" Part 11 - The Canon, Reason, and Nature 02

Post by "Don" of January 11, 2023 at 5:41 AM

And speaking of perception 😊 and be sure to check the links:

According to a research at Cambridge University, it doesn't matter in what order the letters in a word are, the only important thing is that the first and last letter be in the right place.

The rest can be a total mess and you can still read it without a problem.

This is because the human mind does not read every letter by itself, but the word as a whole. Amazing huh?
