

Welcome Todd!

Post by “Little Rocker” of January 16, 2023 at 7:25 PM

I grew up in an evangelical household that for some unknown reason also contained a copy of Bertrand Russell's *Why I Am Not a Christian*. I'm not joking when I say I would take it down when my parents were asleep, read some of it, and put it back, worried that it would be found in my possession. Russell was so smug, but I didn't really care because the ideas were like crack cocaine to my teenage mind.
