

Episode 156 - Lucretius Today Interviews Dr. Emily Austin - Part One

Post by “Kalosyni” of January 19, 2023 at 6:17 PM

[Quote from Cassius](#)

How many times should we desire to visit Rome?

On the usefulness of the analogy: That is like asking how many time per week should we desire to make love.

If you desire to go to Rome, should you go? Can you afford to go? Is it distracting you from something else you should do instead?

This could be a good topic for our 20th meeting. 😊
