

Episode 156 - Lucretius Today Interviews Dr. Emily Austin - Part One

Post by “Cassius” of January 19, 2023 at 6:24 PM

Virtually every aspect of the discussion in both part 1 and part 2 is good food for thought. Dr. Austin does a good job with it but as she says, this is new territory for all of us, to think about how best to express and defend the positions. Experience doing it will make us all better both in understanding and in communication.
