

Lucretius' Appearance - Research into What He Looked Like

Post by "Cassius" of January 25, 2023 at 8:19 AM

[Quote from Don](#)

My only question would be: do we *know* it's Lucretius the poet and not another 1st c. BCE member of the gens Lucretia:

I love the way you phrased that question. It calls for both a history debate, or even more so, a canonic discussion on the proper definition to be given to the word "know!"
