I think the "militant look" combined with the leaping pig has some definite flair to it

I decided to go with something different for my profile. I haven't changed my profile picture in a long time, because it is hard to settle into one picture. I think I am going to try to stick with this one (and not keep trying more).

Nike, the Goddess of Victory holding up an image of Epicurus (unfortunately it got a bit blurry since I am not using a very good app).
