

Carl Sagan's Cosmos Episode Seven "Backbone of the Night" - Good Summary of Problems with Plato

Post by "Don" of January 26, 2023 at 7:00 AM

[Quote from Cassius](#)

it becomes easier to see as if for the first time how much of Epicurus is a direct rejection of Platonic idealism

It's like - oh, I don't know - like coming out of a cave and seeing the light for the first time 😊

I found it so great seeing Sagan talk the talk against Plato while being in a cave! Well played, Carl. Well played.
