

## **VS63 - "Frugality Too Has A Limit..."**

**Post by "Kalosyni" of January 29, 2023 at 9:24 AM**

Wow, [Don](#) amazing investigation and translation work.

In an above post I quoted a Greer translation, and I should mention what Greer says in his prologue -- that he used the translations of others: Bailey, vod der Muehll, Usner, and Hicks, and that is it "not so much a translation as a paraphrase".

So we probably should be careful with "translations" like this?
