

Welcome Adrian!

Post by “Adrian” of January 30, 2023 at 12:41 PM

Thank you

Thank you for accepting me. I responded to the question as to the greatest Epicurean poet with 'Titus Lucretius Carus' which was rejected, so I replied with simply Lucretius which was accepted!

I am currently reading 'St Paul and Epicurus' by Norman Wentworth DeWitt with great interest. I have downloaded the article that he wrote on Epicurean groups that you recommend.

Very truly

Adrian
